Subject: Complaint regarding cheating and criminal breach of trust

I, Ramesh Kumar, residing at No. 15, South Mada Street, Mylapore, Chennai, lodge this complaint against the accused. The accused had borrowed ₹5,00,000 from me in March 2023, promising to return it within two months. Later, I found that he had used the money for personal gambling activities and had no intention of repaying the loan.

The accused also provided me with a fake property document as security for the loan. When I verified the document, I found it to be fraudulent.

I, therefore, request that legal action be taken against the accused under relevant provisions of law.
